

## RED CROSS WORK IN COUNTY

### REPORT OF SECRETARY COVERING THE PAST YEAR.

Report of Treasurer of Monies Received and Paid Out—Red Cross Roll Call in November.

At the annual meeting of the Adams County Red Cross on Thursday, Oct. 26, presided over by H. T. Weaver, President, it was decided that the Red Cross Roll Call should go out from Nov. 11 to Nov. 30. It should be remembered that as 50 cts. of every roll call membership goes to the American Red Cross, that to keep the good work going in the county there should be no falling off in membership. The situation calls for more members.

#### Secretary's Report.

The work of the Home Service Section of the Adams County American Red Cross for the year ending November 1, 1922, has been that of service, and while financial help has been given in cases of illness, and for emergency needs, and in our work for children, the majority of those who came to the Red Cross office have received service in various ways in helping them to meet their problems.

To the disabled ex-service men, the Red Cross still has an obligation of service that comes before any other duty, and financial help has been given in their emergencies to the limit of our lessening funds. The chief service we have been able to render has been in helping the men with their claims upon the government and in being the connecting link between the U. S. Veterans' Bureau and the ex-service men, as the Government has especially requested. This service cannot end until every man who is disabled as a result of his war service, has been properly cared for by the Government, and is receiving the treatment and compensation which is due him. There are still a number of men in our county who need what we can give in service and help.

The financial report is given elsewhere, but much of our work has been of two personal a nature to be given publicity. Visits have been made to all parts of our county and special delivery letters, telegrams and long distance telephone calls have been used when necessary for immediate results. Behind the figures of our Treasurer's report are stories which may not be told, of hearts made happy and lives helped over periods of emergency because our Red Cross could be called upon as a friend to relieve in the hour of need.

The total number of visits to Red Cross office during the year were 530, by an aggregate number of 376, and 121 different individuals and families received service. Of these 71 were ex-service men, 255 visits were made and 252 letters were written, besides 107 papers and affidavits were prepared for ex-service men, 243 letters were received, 200 garments were given, 50 of which were new, and 3 pairs of shoes.

In addition to the above, at Christmas time, the ex-service men at Mt. Alto War Veterans' Hospital were most generously remembered by our Gettysburg friends, and 11 boxes were packed in the Red Cross office, containing home-made cakes, nuts, candy, oranges, 15 pairs warm socks, 6 pairs of skates, for which money was given, and 17 victrola records. Later, \$14 was contributed and 12 magazine subscriptions (7 for one year, and 2 for 6 months), were sent to bring cheer to these disabled ex-service men. In May, we co-operated with the Gettysburg Band, and secured volunteers to furnish their automobiles for transportation, so that a concert might be given to the men at the Mt. Alto War Veterans' Hospital. We feel that in many ways—by entertainments, concerts, visits, and occasional boxes of home-cooked dainties—the people of Adams county have an opportunity to show these disabled men so near to us, that their services in our behalf are not forgotten. The Red Cross Home Service will gladly assist in arranging for anything that may be offered to make life a little brighter for these men.

To the Government "Clean-up squad," which was sent to Gettysburg in March, every assistance possible, in preparation and while they were here, was given by the Red Cross in co-operation with the American Legion. 41 Adams county ex-service men came at that time, and 34 of these had already received some assistance from our office in preparing their claims.

Family welfare and health work has been our chief service to our Adams county families. We have co-operated with the Children's Aid Society of Pennsylvania, and with probation officers of adjoining counties, in a number of cases.

In December, 1921, we succeeded in arranging for an Orthopaedic Clinic, which was held at the Annie M. Warner Hospital, when the eminent surgeon, Dr. J. Torrance Rugh of Philadelphia, assisted by Dr. George Stull of Harrisburg and a number of physicians of our county, examined 47 crippled children and young people, and operated on 6. Later in the year, two children were sent to Jefferson Hospital in Philadelphia, for examination by Dr. Rugh.

In June a little blind boy, for whom we had tried in vain for over a year to secure admission to the State School for the Blind, and who at the

age of 12, had never had a day of school, was taken to a special school for exceptional blind children, near Philadelphia. The great joy of the little lad, over his chance to learn, which was stronger even than his great homesickness, more than repaid us for all our efforts in his behalf, when the letters came telling of his eagerness and determination to stay and learn what had been so long impossible for him.

The Home Service Committee has co-operated with the State Department of Health in the very successful Baby Clinic which has been held weekly in Gettysburg, since July, 1920, and Mrs. William A. Miller deserves especial mention for her faithful and valuable service in co-operation with the State nurses, Miss Rosa Kerstetter and Miss Kate Briel, from the beginning of the clinic to the present time. The only cost to the Red Cross of these clinics has been a bucket of coal a week during the winter months. On Farmers' Day, for the third time, we weighed babies and little children, over 400 of them, and 23 prizes were awarded in the weighing contest. Literature was distributed to all the mothers in the interests of child welfare.

We have co-operated with the State Department of Health in the medical inspection of the schools of Gettysburg and Cumberland township, and the follow-up work; in the giving of the Schick test by the State Health authorities, and in the follow-up of the tests when the toxin-antitoxin was given. Individual weight tags were given to one of the schools in the county where the teacher recorded the weight of her scholars each month of the school year. More tags are now available if teachers wish to secure them. The number of underweight children in our county is alarming, and health workers everywhere are greatly interested in bringing our school children up to normal weight.

After the Roll Call of 1921, to which 928 persons responded, and \$1026.45 was contributed, our funds were found to be not sufficient to carry our work through the year, and the Home Service Committee sent out a letter of appeal for funds for our county work, to 2500 people of our county. The printing and stationery of these letters, including return envelopes, were donated by Mr. Wm. Arch. McClean, but the returns, while most generous from those who responded to the letter, were not from a sufficient number of persons, and a rummage sale was held in March for four days, which netted over \$127.

Our activities have been somewhat curtailed with the lessening funds, but the opportunities for service have not decreased. The disabled ex-service man still needs the Red Cross, and the family and child welfare work of our county offer much for us to do. As the Red Cross Home Service, there is much that we may do for the handicapped children of our county who need special treatment, and for whom we may enlist local and State resources, if the people of Adams county will give us the needed support, and in the coming Red Cross Roll Call, in November, from Armistice Day, Nov. 11, to Thanksgiving Day, Nov. 30, tell us by membership contributions that our work shall continue for the coming year.

Margaret McMillan,  
Home Service Secretary.

## McSPARRAN HOT SHOTS

### THE PINCHOT CAMPAIGN ISSUES RIDDLED TO PIECES.

The Same Old Machine Would Control the State Administration if Pinchot Were Elected.

Some of the McSparran unanswerable arguments in the past week are the following:

"Some four years ago Pennsylvania could look the world in the face and did not owe a dollar. To-day we have debts to the amount of \$110,000,000."

"The only public improvements that can be chargeable against this indebtedness are the roads that have been built in these last years and the annex to the Capitol at Harrisburg."

"The question upon the minds and hearts of the people of Pennsylvania, both men and women, is how a change in these matters can be brought about. Mr. Pinchot claims if he is elected Governor he will deliver the kind of government that Pennsylvania needs. He stated in my presence that he was an independent, and that he was not over by the women."

"Why that is the same old bunk that Adam pulled on Eve in the Garden of Eden—blamed it on the women."

"Cannot anyone of us read the primary returns? Do those returns not show that Joseph Grundy backed up his money with the majority of Bucks county?"

"Do we not know that Charley Johnson, the treasurer of the Penrose machine for years, turned Montgomery county upside down in Pinchot's favor?"

"Can we not read the influence of Judge Johnson in Delaware in turn-

ing that county by an overwhelming majority for Mr. Pinchot?"  
"Do you not know that the striding boss of Lancaster county turned Lancaster county upside down to say nothing of Bill Filan, of Pittsburgh, and Sam Lewis, of York, and 'Doc' Devlin, of Philadelphia."  
"The results appear beyond the possibility of evasion that we have exactly the same condition with Mr. Pinchot as Governor as we had when Mr. Brumbaugh became our chief executive."

from Oct. 29 to Nov. 5. There will be special musical features and program at both services on Sunday, Oct. 29 and Nov. 5, and also at the evening services each day during the week. The speakers on Sunday morning will be Bishop McDowell, of Washington, D. C., and in the evening a picture sermon will be given by Morris W. Swartz. Previous pastors will preach during next week. Rev. V. T. Rue on Monday; Rev. L. D. Ott on Tuesday; Rev. F. H. Brunstetter on Wednesday; and at the closing service Sunday, Oct. 5, the District Superintendent, E. P. Heckman, of Harrisburg, will preach.

## WORK OF CEASELESS REAPER

### HON. WM. A. MARTIN IN HIS 80TH YEAR.

"Bruiser" Brumbaugh Killed While Riding as Passenger in a Sea-plane in Florida.

Hon. William A. Martin died last Sunday at his residence on Lincoln avenue, having passed his 80th birthday on last Aug. 17. While Senator Martin had been in failing health for several years, he was able to be about and attended a meeting of the directors of the Citizens' Trust Co. last week. His condition became worse early Sunday morning.

He was born in Franklin township, this county in 1842, a son of Wm. B. and Elizabeth Logan Martin. While learning the ambrotype business in his early youth, he soon gave it up and engaged in farming, lumbering and charcoaling and proved a successful business man in all his undertakings. He took a most active part in the building of the Gettysburg and Harrisburg railway, securing the right of way and inspected the first ties used in the construction of the road.

Senator Martin was an old-fashioned Democrat, he could always be depended upon for years to lend a hand in political campaigns. In 1874 he was elected to the assembly for a term. In 1886 he was elected State Senator from the Adams-Cumberland district for a term of four years, and in 1908 he was elected a second time to the State Senate. He devoted himself to the interests of the county while at Harrisburg, serving in the Assembly and Senate. In 1903 he moved to Gettysburg, building his handsome residence on Lincoln avenue. He was a director of the Citizens' Trust Co. since its organization and at his death was vice president of the institution.

The funeral was held on Wednesday afternoon, the services by Rev. A. E. Wagner, pastor of the Christ Lutheran Church of this place, of which he was a member, and Rev. D. T. Kosor of the Arendtsville Lutheran Church, Interment in the Arendtsville Cemetery. He was first married to Miss Mary Beamer of Meriden township, and then to Mrs. Ida Baugher, Carlisle street, who survives with the following children of the first marriage, three sons, Paul A. Martin, of Gettysburg; Harry Martin and William Martin, of Meriden township; and four daughters, Miss Alice Martin, at home; Mrs. Jonas Robb, of Mechanicsburg; Mrs. Hall Sharp, of Cumberland, Md.; and Mrs. Victor Hausknecht, of Harrisburg.

Captain Rolland E. Brumbaugh, better known to his many friends here as "Bruiser" Brumbaugh, was instantly killed last Friday afternoon near Pensacola, Fla., when the naval plane in which he was a passenger skidded and crashed into the seawall. The plane was wrecked. The skull and spine of Capt. Brumbaugh was fractured, and the pilot escaped uninjured. Capt. Brumbaugh had visited Gettysburg as late as this year while the marines were in camp here and told his friends that he was under orders to report at Pensacola for aviation instruction and remarked that he might never be back again with same carefree attitude, without fear, that seemed to be a part of his life. He graduated from Gettysburg College in 1906, and was famous as an athlete. His football team went through the season undefeated. He excelled as well in baseball as in football. He came to Gettysburg in 1908 as head coach and after the season enlisted in the Marine Corps and participated in the World War in a number of engagements, rising to the rank of Major. After the war he was commissioned a captain. Capt. Brumbaugh was a son of Dr. A. S. Brumbaugh, of Altoona, and is survived by a brother and three sisters, L. T. Brumbaugh, of Altoona; Misses Ruth M. and Sarah Brumbaugh, of Roaring Springs, and Mrs. H. B. Galbraith, of Brownsville, Texas.

J. Aaron Wehler, a retired farmer, died suddenly at the home of his daughter, Mrs. Charles Stambaugh, in Littlestown, on last Friday aged 75 years, 10 months and 27 days. He had been in failing health for several years. He was the son of the late Daniel and Mary Wehler and his entire life was spent in vicinity of Littlestown, farming, until he retired 17 years ago. His wife died 15 years ago. He was a member of Christ Reformed Church near Littlestown. The funeral was on Tuesday, services by Rev. H. C. Bergstresser with interment in Christ Church Cemetery. He leaves three sons and a daughter, Maurice N. Wehler and Charles Wehler, of Littlestown; Emer Wehler, of Gettysburg; and Mrs. Charles Stambaugh, of Littlestown.

Valentine Warner, a native of Gettysburg, died at the Annie M. Warner Hospital last Saturday in his 76th year. He had had a paralytic stroke and became helpless and was sent to hospital a week before his death. The funeral was held Wednesday morning with a requiem high mass celebrated by Rev. Fr. Mark E. Stock in St. Francis Xavier Church and interment was made in the Catholic Cemetery. He leaves one son and one daughter, Harry Warner, of Dayton, Ohio, and Mrs. Elizabeth Wellwood, of York. One brother survives, Geo. Warner, of Gettysburg. He was a brother of the late John M. Warner.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Catarrh being generally induced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken orally and acts thru the blood on the mucous surfaces of the system thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative powers of Hall's Catarrh Medicine that they offer One Hundred Dollars for any case that fails to cure. Send for list of testimonials. Address F. J. CHENEY & CO., Toledo, Ohio. Sold by all Druggists.

**BACK BAD TODAY?**

Backache is usually kidney-ache and makes you dull, nervous and tired. Use Doan's Kidney Pills for weak kidneys—the remedy recommended by your friends and neighbors. Ask your neighbor.

Edward Newman, 26 Franklin St., Gettysburg, says: "I surely can recommend Doan's Kidney Pills and they proved to be all that is claimed for them in my own case. A number of years ago my kidneys were in poor shape. For a long time my back was in so weak and disordered a condition that I could hardly lift anything and when I bent over, those knife-like pains never failed to shoot across my kidneys. Mornings I felt sore in my joints and limbs and would be all tired out. My kidneys were too free in action and I was bothered during the night. I read about Doan's Kidney Pills in Doan's Directory and got a few boxes of them. They did away with all the backache and put my kidneys in the best of shape."

His judgment in favor of permanence is vindicated by its nation wide acceptance. His judgment on individual materials is equally good. He calls Atlas "the Standard by which all other makes are measured."
